

BIBLIOGRAFIA

Per il catalogo completo delle opere di Newman rimane fondamentale lo studio di Vincent Ferrer Blehl del 1978: V. F. Blehl (ed.), *John Henry Newman. A bibliographical catalogue of his writings*, University Press of Virginia, Charlottesville 1978.

Utilissimi per l'aggiornamento bibliografico delle opere di Newman e della letteratura secondaria risultano anche i siti internet delle associazioni "The Venerable John Henry Newman Association", "The National Institute for Newman Studies" e "The International Centre of Newman Studies" (che in Italia ha sede a Roma in via Aurelia, 27).

Merita di essere segnalato anche il catalogo (cartaceo e on line) della libreria cattolica *St. Philip's Books* di Oxford (specializzata in storia religiosa dell'Europa) che contiene un'ampia sezione dedicata alle opere di Newman, alla letteratura secondaria che lo riguarda e alla storia religiosa inglese dell'Ottocento.
